The Convergence Summit events bring together leading players from the following sectors; Voice, Data, Mobile, Security, The Cloud, Virtualisation and Collaboration.

Whether you are looking to expand your current portfolio, find about the latest market trends or network with your peers, we believe that it is more important than ever to take the time out of your busy schedule to come along to the only dedicated UK Channel event in the North on 17th and 18th April at the Manchester Central Convention Complex.

There will be over 75 of the leading voice, mobile and data suppliers showcasing their latest products and services as well as demonstrating new technologies and applications.

You will also be able to take advantage of exclusive offers which are only available at the Convergence Summit North plus be the first to find out about new products being launched at the show.

We also have a fantastic free educational seminar programme lined up covering all the latest technologies and how to make money from them! These will look at Microsoft Lync, Understanding and Selling Managed Services, Mobile Opportunities, Security issues to consider, Understanding Next Generation Access and Understanding and Selling Collaboration.

The event is open to everyone in the Channel so don't miss this fantastic opportunity to keep abreast of all the latest developments and gain that competitive advantage! We look forward to seeing you there!
